UNREGULATED LOCAL EXCHANGE SERVICE

APPLICATION OF TARIFF

1. This Tariff governs Upper Peninsula Telephone Company's (Company) provision of local exchange services that are not regulated by the Michigan Public Service Commission.
2. Except as otherwise indicated herein, the Company's provision of the unregulated local exchange service contained in this Tariff is also subject to the rules, regulations, and maps specified in the Company's applicable tariffs (including, but not limited to, Tariff MPSC Nos. 1R, 2R, and 7R), as they now exist or as they may be revised or superseded. In the event of a conflict between the provisions of this Tariff and other tariffs of the Company, the provisions of this Tariff shall govern.

UNREGULATED LOCAL EXCHANGE SERVICE  
SERVICE CHARGES

A. General.

1. The Service Charges contained herein apply in connection with the establishment of telephone service and subsequent moves, changes, and additions of lines, instruments and other services or equipment.

B. Application of Service Charges.

1. Establishment of Service: An Establishment of Service Charge applies to work performed by the Company in connection with the receiving, recording and processing of customer requests for service, and equipment ordered to be performed or provided at the same time, involving the establishment of a new customer account. The Establishment of Service Charge also applies to restore service in cases in which the customer's service has been disconnected voluntarily or involuntarily for cause as permitted by law.
2. Line Connection Charge: A Line Connection Charge applies to each central office line on which work is required by a service order in the Company's central office, outside plant, drop wire, or other portion of plant up to the premises served. The Line Connection Charge applies to the restoration of service in cases in which the customer's service has been disconnected voluntarily or involuntarily for cause as permitted by law.

[bdcobra@alphacomm.net](mailto:bdcobra@alphacomm.net)

3. UNREGULATED LOCAL EXCHANGE SERVICE

SERVICE CHARGES (CONT'D)

A. Application of Charges (Cont'd).

4. Premise Visit Charge: A Premise Visit Charge applies to each customer's order which requires a visit to the customer's premises. Service work in several buildings of a customer located on the same continuous property requires one charge per premise visit. A premises is a building, or a portion of a building or buildings, on the same continuous property occupied by the customer. All space for offices occupied by a customer on the same or separate floors of one building are considered as a single (or same) premises. "Continuous" property refers to an uninterrupted plot of land within the same block and occupied by one customer (i.e., a parcel of land enclosed but uncrossed by public thoroughfares; railroad tracks, rivers and alleys are not public thoroughfares). "Building" refers to a structure on one foundation or two structures on separate foundations with a common wall or abutting walls with ready access from one structure to the other by means of doorways or permanent openings through the intervening wall or walls. Structures in the same or different block occupied by one customer and connected by passageways shall be considered as the same building if the passageway is actually used as a continuation of the space in the two buildings and not principally used as a walkway.
5. Promotional Waiver: The Company may choose to waive Service Charges during promotional periods.

UNREGULATED LOCAL EXCHANGE SERVICE

SERVICE CHARGES (CONT'D)

B. Application of Service Charges (Cont'd).

The Service Charges listed below apply in addition to all other applicable recurring and non-recurring rates and charges associated with the service provided.

| <u>Item</u>                             | <u>Service Charge</u> |     |
|---|-----------------------|-----|
| Establishment of Service*               |                       |     |
| New/Restored Account Per Order          | \$20.00               | (I) |
| Existing Account Per Order              | \$10.00               |     |
| Line Connection Per Line                | \$15.00               |     |
| Premise Visit*                          | \$40.00               | (I) |
| Per Premise of Same Continuous Property |                       |     |
| Non-Payment Restoration Charge          | \$45.00               | (N) |

\* The Establishment of Service charge and Premise Visit Charge are in addition to the Line Connection Charge.

The above charges do not contemplate that the services will be provided at a time when the Company's employees' overtime wages apply, nor do they contemplate that the customer will interrupt the services. If the customer requests that overtime labor be performed, or interrupts work once begun, a charge in addition to the specified charges will be made equal to the additional cost involved.

LOCAL CALLING SERVICE PLAN U1

DESCRIPTION OF SERVICE

A. General.

1. Local Calling Service Plan U1 provides telephone intercommunication between customers within a Local Calling Area.
2. Unless otherwise indicated, the service may be used for voice or data communication. The service provides unlimited incoming local calls.
3. In addition to the Monthly Local Service Charge, for calls dialed to a station bearing the designation of a central office within an exchange identified in italics in Sheet Nos. 14 through 32, the Company will charge the following:

First 2,000 Conversation minutes of use (MOU) in each month: \$0.00 per MOU  
Each Conversation MOU over 2,000 in each month: \$0.05 per MOU

The Company will measure Conversation MOU from the time when the Company's switching equipment receives answer supervision to the earlier of when the Company's switch receives disconnection supervision from its own switch or from the terminating switch. The Company will measure Conversation MOU to the next higher whole MOU per call. No MOU are carried forward from month to month.

4. The Company will not provide call record detail for local usage in the end user's monthly bill. The Company will provide call record detail, at the end user's request, at a charge of \$5.00 for each month requested.
5. For calls to exchanges not italicized in Sheet Nos. 14 through 32, customers receive unlimited monthly calls and MOU.
6. Touch Tone Service is included with this service.
7. Service Charges as stated in this tariff apply.

LOCAL CALLING SERVICE PLAN U1

DESCRIPTION OF SERVICE (CONT'D)

A. General (Cont'd).

8. Calls made to a telephone number with an NPA NXX that is associated with the rate center that is within the customer's local calling area are local calls regardless of the physical location of the called party.

Calls will be completed as local calls without charges in addition to the customer's monthly rate so long as (i) the call terminates to an end user physically located in the called exchange, and (ii) the provider terminating the call has made interconnection and exchange of traffic arrangements with the Company. Calls that do not satisfy conditions (i) and (ii) will incur additional local charges in the amount of 15¢ per MOU, and the MOU used will count toward any applicable monthly MOU allowance set forth in Paragraph 3 above.

(C)  
(C)

Prior to the imposition of the 15¢ per MOU local charge, the Company will provide customer at least 30 days' notice of its intention to do so, and the notice will include information enabling the customer to determine the affected telephone number(s).

(I)  
|  
(I)

Calls to exchanges identified in italics above are subject to the monthly calling allowance as set forth on Sheet No. 12.

\* To avoid incurring additional local charges, calls to the Eagle River exchange must satisfy conditions (i) and (ii) of Sheet No. 12, Paragraph 8, and the first three digits of the called party's seven-digit telephone number (the NXX in the telephone number format NPA-NXX-XXXX) must be either 477 or 479. For calls to a called party in the Eagle River exchange that do not satisfy those conditions, the Company will charge the customer, and the customer will pay, additional local charges as set forth on Sheet No. 12, Paragraph 8.

Issued: November 30, 2007

Effective: December 1, 2007

AUXILIARY SERVICES AND EQUIPMENT

CENTRAL OFFICE SERVICES

DIRECT INWARD DIALING (DID) SERVICE

Excluding Centrex Systems

A. General

1. DID Service permits calls incoming to a PABX or other customer premise equipment to reach a specific station line without the assistance of an attendant.
2. The service includes central office switching equipment necessary for indialing from the network directly to stations associated with customer premises switching equipment.
3. DID Service is provided only from electronic central offices or from electromechanical offices that are equipped to provide this service.
4. The assignment of telephone numbers for DID Service and the sequence of numbers assigned to a customer are made at the discretion of the Company.
5. The customer is responsible for providing call intercept of assigned but unused telephone numbers associated with DID Service.
6. If DID Service is provided from more than one central office, service from each central office is considered separately for the application of rates and charges.
7. If a customer uses sets of DID Service telephone numbers on different systems on the same or different premises, each set of numbers is considered a separate service for the application of rates and charges.

Excluding Centrex Systems (Cont'd)

A. General (Cont'd).

8. Limitations of Service

- a. DID is furnished upon condition that the customer contract for adequate facilities to permit the use of the service without injurious effect upon the general telephone service. Adequate facilities include, but are not limited to, the following:
  - (1) Central Office Trunks – if customer line overflows on all of the DID trunks combined exceed the monthly limit specified as follows for two consecutive months, and in the opinion of the company additional trunk lines are needed, the customer will be required to subscribe for each additional trunk line facilities or terminate the existing service. First trunk line in a group – 100 subscriber line overflows per month; each additional trunk line in the same group – 100 additional subscriber line overflows per month.
  - (2) A minimum of two working DID trunks excluding attendant trunks are required per system.
  - (3) For completion of DID calls (including call attempts where the line is busy or no answer), suitable equipment associated with the company or customer-provided system is required; e.g., sufficient quantities of incoming registers or equivalent.
- b. The company may refuse to furnish or to continue to furnish service for failure to comply with 10.a above.
